United Way 

HOW DO YOU LIVE UNITED?

HAVE A PROJECT? We are currently accepting project requests from United Way partner agencies, area nonprofits, schools and daycares. The organization requesting the project must provide the equipment and tools to complete your project. To apply, contact Julie Mann at julie@uwwa.org.

WHAT A GREAT YEAR!

Thank you to everyone in West Alabama who contributed to this year's United Way campaign! You helped raise a record amount of \$3,500,576! It is humbling to see a community unite together and offer generous donations and volunteer valuable time for the good of our neighbors and surpass the lofty goal that was set for the year.

As I have said many times, we do not increase our goal each year just for the sake of increasing it. The needs in our community continue to grow. We hear from our partner agencies about the influx of people needing their services, and that they need to expand programs and classes to effectively meet their clients needs.

We also have several partner agencies embarking on or wrapping up capital campaigns for which we are happy your donations have helped to support. For instance, Salvation Army's new shelter has broken ground and our YMCA is about to begin a big expansion.

It is you that helps make all of these things possible.

Sincerest thanks,
Jackie Wuska
President & CEO
